Petoskey, MI 49770

Dear Dr. Pall:

Thank you for sending the Library of Michigan a letter of acknowledgment on behalf of the City of Petoskey expressing support for the continuation of efforts to establish a single municipality district library as authorized by section 3 of the District Library Establishment Act, 1989 PA 24, MCL 397.173.

The City of Petoskey may now wish to establish a district library planning committee as recommended by the *District Library Handbook* which can be accessed on the Michigan Department of History, Arts and Libraries website at http://www.michigan.gov/hal/0,1607,7-160-18835_18894---,00.html. We are happy to review your district library agreement on an informal basis before you officially submit it for consideration.

We look forward to working with Petoskey in this endeavor. Should you have questions or concerns, please feel free to call Lance Werner, Library Law Specialist at (517) 373-1299.

Sincerely,

Nancy R. Robertson
State Librarian
