Dear Mr. Byelich:

I have enclosed what I hope is my final accounting on the DNR grant to Cross Village Township for the preliminary engineering study for a boat ramp dated January 6, 2004. In order to simplify your task I have also enclosed copies of the invoices and their corresponding canceled checks. The original grant amount was **\$16,156.5** with an initial payment of **\$8,078.25**. As you can see the Township incurred expenses in the amount of **\$30,716.17**. I am requesting from DNR the amount of **\$7,279.84** in order to close out the grant. Thank you once again for your help with this issue.

Sincerely,

Gene P. Reck
Clerk
Cross Village Township

Sincerely,
